

OLIVIA EZEKWE

Communications Strategist | Writer | Visual Storyteller

PROFESSIONAL SUMMARY

Communications professional with experience across strategic communications, writing and storytelling, digital communications, brand management, advocacy and visual media. Experienced in developing communication materials, managing digital platforms, supporting campaigns, producing organisational publications, and translating complex programmes and ideas into clear, engaging stories for different audiences.

Experience spans nonprofit and development organisations, purpose-driven brands, healthcare, hospitality and faith-based organisations, with additional experience supporting international and remote teams. Background in law brings strong attention to detail, structured thinking and an understanding of policy, rights and public-interest issues.

EXPERIENCE

COMMUNICATIONS LEAD, SOUTH SAHARAN SOCIAL DEVELOPMENT ORGANISATION

2024 - Present

Provide Leading strategic communications across the organisation's civic and development programmes, covering campaigns, digital communications, donor reporting, brand management, and multimedia storytelling.

- Lead communications for the Sister Guardian Initiative across 34+ rural communities in Enugu State and 22 communities across Nigeria, with communications efforts contributing to a 150% increase in reported media visibility.
- Led communications for the Cost of Justice Project, coordinating contributions from 100+ writers across Nigeria and Kenya and 30+ visual artists, and supporting the project's launch in collaboration with UN Women.
- Develop donor reports, policy briefs, newsletters, and other communications materials for government agencies, international partners, and donor organisations.
- Manage the organisation's digital communication channels and assets, strengthening audience engagement and establishing a consistent multimedia production workflow.
- Train and mentor 50+ community-based women advocates in storytelling, documentation, and communicating human rights issues.
- Train partner-organisation communications teams on communications planning, content development, and effective digital communication.
